

I Wonder, Why?

I Wonder, *Why?*

A star in the sky,
shining with a special light,
moving onward,
hovering over a stable,
I wonder, *why?*

Shepherds from the countryside
rushing away from their flocks, *at night!*
searching and seeking,
kneeling and worshipping.
I wonder, *why?*

My interest in this long ago, far away event,
drawn to come and look into the manger,
filled with warmth and joy,
moved to love Him,
I wonder, *why?*

I Wonder, *Why?*

Emmanuel, God with us, *with me?*
The baby in the manger became the Savior of the cross,
And wonder of wonders, He loves *me!*
I wonder, *why?*
