

## In My Life This Week

*(As you use this daily guide, write out your observations and responses on a separate piece of paper and save them with this sheet for reference.)*

**Monday.** Read the entire book of Habakkuk (it is only 56 verses). As you reflect on the book, record the major truths and lessons God has pointed out to you as we have worked through it.

**Tuesday.** Habakkuk faced real and certain terrifying circumstances (3:16) as well as some which were hypothetical but possible (3:17). He chose to trust God. List the problems you face in one column and potential ones you think about in another. Think through what it means to trust God in each one. Make the choice to trust Him, and pray through the lists stating your trust to God.

**Wednesday.** Habakkuk's initial response to all he saw going on and heard of God's impending judgment was fear (see 3:16). That was normal. But he did not allow that fear to settle down and take control. He looked to God and His truth and chose to believe, to trust. Review the lists you made yesterday and your response to God about them. Are you moving from fear to trusting God today?

**Thursday.** The closing verse in the book gives us Habakkuk's personal understanding and experience that led him to keep on trusting, praising and finding joy in God. Summarize that in personal terms for yourself and your situation. Choosing to trust God does not banish all the terrible things (Judah was judged), but it does lead to joy in God (3:18). Reflect and act on this reality today.

**Friday – Saturday.** Advent begins Sunday. Think about how you are going to prepare for and have a God-honoring and meaningful Christmas season. We plan to think about the message of *Hope* that is in Christmas as we gather together on Sunday.
